2024 Hawai'i Active Transportation Candidate Survey

The [Hawai'i Bicycling League](#) (HBL), [Kauai Path](#), [Maui Bicycling League](#) (MBL), and [People for Active Transportation Hawaii](#) (PATH) emailed candidates for election in Hawaii across eight contests including: State Senator, State Representative, County Councils statewide and Mayor in Hawai'i County and Honolulu. This survey aims to understand candidates' positions on key transportation initiatives, including Complete Streets, Vision Zero, and the recent Navahine F. + Hawaii Department of Transportation settlement agreement. These initiatives focus on creating safer, more accessible, and environmentally friendly transportation options for all residents and visitors of Hawai'i.

Responses below are pulled directly from survey responses and have not been edited by HBL.

Candidate Name: KIM COCO IWAMOTO

Email: kimcoco@kimcoco.com

Contest: State Representative **District:** 25

Complete Streets Initiative

Support for Complete Streets is: 5

From 1-5 (least to most)

Additional Complete Streets Comments: I serve on the Ala Moana - Kakaako Neighborhood Board; we are working with the community to identify specific improvements and changes to improve how things are being rolled out. Offering a dynamic, open processes for different stakeholders to learn about the needs and preferences of other people who could be a valuable tool and result in greater understanding and better outcomes.

Vision Zero Initiative

Support for Vision Zero is: 5

From 1-5 (least to most)

Additional Vision Zero Comments: Ensure there is funding for needed improved technology for crosswalks, make sure all streets with high density residential buildings have sidewalks and bicycle lanes.

Navahine + HDOT Settlement Agreement

Support for Emission Reduction Efforts is: 5

From 1-5 (least to most)

Additional Emission Reduction Comments: Support laws and funding to reduce carbon emissions.

Personal Transportation Habits

Frequency of Public Transportation Usage: Several Times Per Year

Additional Comments About Public Transportation Use: For parades and marches, my daughter uses the bus more often so I buy her a holo pass.

Frequency of Active Transportation Usage: Weekly

Additional Comments About Active Transportation: I walk and run for exercise.
