BikeEd Hawai'i

Parent Information Sheet (Parent Copy)

What is BikeEd Hawai'i?

A program of Hawai'i Bicycling League, BikeEd Hawai'i was established in 1989 and teaches the fundamentals of bicycle safety. BikeEd Hawai'i reaches over 8,000 students on O'ahu annually. The program helps meet school benchmarks in Health and Physical Education and includes 3 days of on-campus instruction and 2 days of off-campus riding. The program is primarily funded by the City & County of Honolulu Dept. of Transportation Services. BikeEd Hawai'i is taught by HBL certified instructors but we welcome parents to help volunteer!

For more information, visit HBL.org/BikeEd or contact us by email BikeEd@HBL.org

What to bring to class:

- Closed toe shoes (No Slippers or Crocs)
- Shorts or rollable pants
- Water bottle
- Helmet (if needed, we have helmets to borrow*, or helmets available for purchase)

*Due to reuse of BikeEd helmets, all students must receive lice checks by school nurses. Students who have lice will be required to bring their own helmet, purchase one from BikeEd Hawai'i, or will only be able to participate in the first day of instruction.

What will my child learn?

- Basic bicycle safety principles in a fun format that enables keiki to develop a lifelong healthy lifestyle.
- The "6-point bicycle safety check" (handlebar, seat, chain, pedals, brakes, tires).
- The importance of properly wearing a helmet.
- Ride on the right side of the road and stay on checkpoint (3ft. from the curb or parked vehicle).
- Correct procedures at stop signs, intersections, turns, and driveway exits.
- How riding a bicycle safely is fun!
